CEO's DESK

Dear students

"Nothing is impossible" A P J Abdul kalam (Ex-president of India)

Vidya Samvardhak Mandal's G. I. Bagewadi P. U. College , Nipani was established in the year 1984 with the Spearheaded in the educational area to provide quality, technical and Scientific education to the rural youths of Border Region of Karnataka and Maharashtra.

"Students today are competing in rapidly changing world. Simple covering the curriculum will not be enough to face the global challenges. We those fore equip our students with education and the necessary practical skills to ensure that, they perform their best in their respective professions. The success of any institute in the real world is a rewarded of hard work coupled with systematic planning and focused approach to impart the best quality of education at minimum cost.

At the VSM's G. I. Bagewadi P. U. College, Nipani we take immense pride in the fact that our students receive the best quality education. This is made possible by following very high standards of teaching and learning. our excellence is not just confirmed to the classrooms, we are also notably active in conducting workshops, seminars, Guest lecturers and other co-curriculum activities. These activities expose students to aspect beyond the curriculum, thus adding high value to their professional success. The magnificent infrastructure of our college sets the right ambience for an excellent teaching learning environment combined with the use of the finest technology.

As chief executive officer of this esteemed institution, I can assure you that the trust you have placed in us will be meaningful, with its rich legacy, will continue to shape the future of the young minds of our country and transform their potential into successful careers resulting in national development.

Dr. Siddagouda Patil

MCA, Ph.D.

CEO, VSM Group of Institutions

- Syc (RCU)
- AC(RCU)

Academic council member and
syndicate member of
Rani Channamma University,
Belagavi

PRINCIPAL DESK

"Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents with high expectations" I am happy to note that the management of the college has clear and proper vision and is constantly equipping the college to attain the vision and mission of the college.

Our objective is to develop confidence, self-motivation, research and problem solving skill sets and imbibe value technical education among youth.

Our aim is to empower rural youth and border area students of Karnataka and Maharashtra state, with the wings of knowledge and power of innovation. With this empowerment imbibe an attitude akin to a positive and proactive thinking, caring concern for human beings and nature and above all shape the future of youth to serve and excel in chosen domain of activity throughout lifetime.

Dr. N. S. Madannavar

M.A., B.Ed., M.Phil., Ph.D.

Principal

DEPARTMENT OF COMMERCE

- * **Foundation courses for C.A.**
- * **Basic Computer**
- * **Tally Accounting**
- * **Spoken English**
- * **Personality Development**

The Department of Commerce, shall be a department with a social concern which will address the problems of humanity through teaching and extension activities in socially relevant areas. The department aims at attracting and building people in a rewarding and inspiring environment by fostering freedom, empowerment, creativity and innovation.

The department is relentlessly striving to perceive and maintain academic excellence at the same time encourages the students to participate in various co-curricular and extra-curricular activities. It also envisages to serve as catalysts of social change in order to march with the marginalized to the summit of empowering the powerless. The department with its progressive & innovative outlook with traditional roots aims at nurturing values and imbibing it in the coming generations. The students and faculty of the department of commerce will be a zeal to serve humanity & to eventually leaders of the society.

DEPARTMENT OF ARTS

An Arts education helps to foster critical thinking, communication, reasoning, and intellectual curiosity. We want our students to be aware individuals, capable of making sense of the world, and ready for a lifetime of learning.

We are creating an aptitude for intercultural understanding amongst our students through study, reflection, debate, and action across cultural differences, and these aptitudes will serve our students well as they emerge as leaders in their chosen fields and their communities.

To produce the best student experience, we will create a seamless advising and information system for students, help build small-scale student communities, foster a creative and healthy campus life, and provide support for student wellness and health.

- * **Guidance For Competitor Exams & Basic Computer Knowledge.**
- * **Spoken English**

DEPARTMENT OF SCIENCE

* JEE + NEET + KCET
Coaching Classes.

Science is important because it influences most aspects of everyday life, including food energy, medicine, transportation, leisure activities and more. Science improves human life at every level, from individual comfort to global issues.

The Department has good infrastructure with a spacious working area, consisting of Laboratories, HOD's Cabin, Staff Rooms, Computing facility.

The department has well qualified, dedicated and self motivated faculty members and the supporting staff.

The staff members have very good interaction with students and involve themselves in the welfare of the students. This ensures good academic performance of the students. The Department has been getting excellent results both in theory and practical examinations.

Goal: To impart quality education in basic science and to get consistent excellent results in examination. To expand the Basic Science support to all technical and medical branches.
